

Layout

Accommodation for up to 8 guests in 4 cabins, and 4 crew in 2 crew cabins. The full beam owner's cabin is spacious, with seating wardrobes and a large bathroom with shower. The large windows in the hull give a huge amount of natural light to this cabin. A double VIP cabin is located towards the bow. There are two twin guest cabins to port and starboard. Each cabin has its own bathroom. A comfortable dinette area is located in the bridge area. The bridge is separated from the open plan saloon and dining area by the well equipped galley and day head. The side decks are accessed from the galley or passageway by side doors. The flybridge is accessed from the cockpit or internal passageway, and provides lots of seating, sunbathing and entertaining space.
