# EDERSHIP SYMBOL 53

## BROKER'S COMMENTS

"Polyester built Edership Symbol 53 named "COBRA" built in 1992. Spacious flybridge motor yacht, suitable for long distance cruising and living on board. Over the years many innovations have been made to this Edership Symbol 53 such as, central heating, spray hood etc.. The "Cobra" is powered by two strong and reliable Caterpillar diesel engines. The motor yacht is also equipped with a strong bow thruster, in combination with the two engines is this motoryacht very easy to handle."
