Enjoy luxury with your whole family

The Atlantis 47 offers all the luxury and facilities for an enjoyable cruise with friends or your family. Several days sailing with this yacht is no problem either. A spacious, luxuriously finished living area and fully equipped kitchen with fridge, cooker and microwave ensure a pleasant stay on board. As do the sleeping quarters. You will find two comfortable bedrooms on board, each with a double bed. This Atlantis yacht also features two full bathrooms. Thus, she offers privacy to any party in any composition.

Needless to say, the Atlantis 47 offers you luxurious details such as atmospheric lighting and a beautiful, high-quality finish. Although the Atlantis 47 we offer for sale is air-conditioned, when the weather permits, you will naturally want to be able to enjoy it outside. That won't be a problem at all. The teak deck features a swim platform and swim ladder. But that is not the only thing. In fact, this motor yacht features a spacious garage that can accommodate a compact second boat. Among other things, this makes the Atlantis 47 is sublime holiday yacht with a surplus of possibilities.

Powerful engines, sophisticated steering

As we wrote earlier, you will notice from everything that you are sailing a top-class yacht with this Atlantis 47. That class is reflected, among other things, in effortless performance. Two 480 hp Volvo Penta diesel engines guarantee that. The Atlantis 47 is not only a pleasure for guests and other crew; the yacht offers her skipper virtually every possible aid. We note among others a comfortable, advanced steering position inside and outside, high-quality convertible top, autopilot, plotter and depth sounder.
